Section 6.4.2. Special Assessments. If the sum estimated and budgeted by the Board at any time proves to be inadequate for any reason (including non-payment for any

reason of any Owner's assessment), the Board may at any time levy a further assessment against all of the Lots. The Board may at any time make special assessments against particular Lots for any amounts (other than general assessments) owed to the Association by the Lot Owner under the terms of this Declaration or the Articles of Incorporation or Bylaws of the Association.

Section 6.4.3. Payment by Declarant. Until the expiration of the term of the Initial Board of Directors as provided in Section 5.1 above, the Declarant shall maintain the Common Areas and Common Area Improvements and pay all cost incident thereto, and all cost of providing the insurance required by this Declaration.

Section 6.5.1. Rate of Assessment. Both annual and special assessments shall be fixed at a uniform rate for all Lots.

Section 6.5.2. Initiation Fee. The initiation fee that will be paid by each lot owner at the time of closing of each lot shall be \$200.00 which shall be paid at the time of closing and which amount will be paid directly to the Association.

Section 6.5.3. Initial Assessment. The initial assessment until changed by action of the Association shall be \$200.00 per year for each lot and will be paid regardless of what month they close, which said amount shall be paid to the Association, commencing on the 1st of January of each year subsequent to the date of closing the sale of a lot, the purchaser and successors and assigns shall pay an annual assessment of \$200.00 per year which will be due and payable on or before the 15th of January of each year. In the event the expenses of the Association are in excess of the assessments collected, then the Association shall impose a special assessment.

Section 6.5.4. Purpose. The assessments levied by the Board shall be used exclusively to promote the recreation, health, safety and welfare of the Lot Owners, for the improvement and maintenance of the Common Areas and Common Area Improvements to pay the cost of operating the Association and to pay any other costs that the Board is authorized to incur pursuant to the provisions of this Declaration.

## **ARTICLE 7. LIEN AND COLLECTION OF ASSESSMENTS.**

Section 7.1. Assessments Are a Lien: Priority. All unpaid sums assessed by the Association for the share of the common expenses chargeable to any Lot and any sums specifically assessed to any Lot under the authority of this Declaration shall constitute a lien on the Lot and all of its appurtenances and improvements from the date the assessment becomes due until fully paid. The amount of the lien shall include all interest and late charges in connection with said unpaid assessment and all cost and expenses, including attorneys' fees, incurred by the Association in the collection of said unpaid assessment. The lien for such unpaid assessments shall be subordinate to tax liens on the Lot in favor of any assessing unit and/or special district, and to all sums unpaid on all First Mortgages or record which were made in good faith and for value, but, to the extent permitted by applicable law, shall have priority over all other liens against the Lot. A

First Mortgagee that obtains possession through a Mortgage foreclosure or deed of trust sale, or by taking a deed in lieu of foreclosure or sale, or a purchaser at a foreclosure sale, shall take the Lot free of any claims for the share of common expenses or assessments by the Association chargeable to the Lot which became due before such possession, but will be liable for the common expenses and assessments that accrue after the taking of possession. The Lot's past-due share of common expenses or assessments shall become new common expenses chargeable to all of the Lots, including the Lot foreclosed upon. Notwithstanding any of the foregoing, however, the defaulting Owner or real estate contract purchaser shall continue to be personally liable for pass due assessments as provided in Section 7.3. For purposes of this Section, "Mortgage" does not include a real estate contract and "Mortgagee" does not include the vendor or the assignee or designee of a vendor of a real estate contract.

Section 7.2. Lien May be Foreclosed. The lien for delinquent assessments may be foreclosed by suit by the Board, acting on behalf of the Association, in like manner as the foreclosure of a mortgage of real property. The Board acting on behalf of the Association shall have the Power to bid on the Lot at the foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

Section 7.3. Assessments Are Personal Obligations. In addition to constituting a lien on the Lot, all sums assessed by the Association, chargeable to any Lot, together with interest, late charges, costs and attorneys' fees in the event of delinquency, shall be the joint and several personal obligations of the Owner(s) and any contract purchaser of the Lot when the assessment is made. In connection with the voluntary transfer of a Lot, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments up to the closing date of the transfer, without prejudice to the grantee's right to recover from the grantor the amount paid by the grantee therefore. Suit to recover personal judgment for any delinquent assessment shall be maintainable without foreclosing or waiving the liens securing them.

Section 7.4. Remedies Cumulative. There remedies provided herein are cumulative, and the Board may pursue any or all of them, and any other remedies which may be available under law although not expressed herein, either concurrently or in any order.

## **ARTICLE 8. INSURANCE.**

Section 8.1. Liability Insurance. The Board shall obtain as of the date on which the first Lot is transferred from Declarant or a Participating Builder to an Owner Occupant, and shall maintain at all subsequent time, a general comprehensive liability insurance policy insuring the Board, the Association and the directors and officers of the Association against any liability to the public or to the Owners and their invitees or tenants incident to the ownership or use of the Common Areas or Common Area Improvements. Said insurance shall be in an amount determined by the Board, but shall not be less than \$500,000.00 covering all claims for personal injury or death and/or property damage arising out of a single occurrence.

Section 8.2. Other Insurance. At such times as the Board deems appropriate, the Board shall cause the Association to purchase and maintain as a common expense such other insurance as the Board deems advisable.

#### **ARTICLE 9. DAMAGE AND REPAIR OF DAMAGE TO COMMON AREAS.**

Section 9.1. Damage by Particular Owner. Any Lot Owner who causes, or whose family, agents, or invitees cause any damage or destruction to the Common Areas or Common Area Improvements shall pay the full cost of repair or restoration which is not paid by any casualty insurance proceeds. The Lot Owner shall pay the same within ten (10) days after receiving from the Board written demand therefore containing documentation of the amount due. If the Lot Owner fails to pay the same within said ten (10) day period, the Board may make a special assessment against said Lot and Owner as provided in Section 6.4.2 in the amount of the cost of repair or restoration, plus interest thereon at the rate of nine percent (9.0%) per annum from the date of the written demand to the date of the assessment, plus any costs or attorneys' fees incurred by the Board in attempting to collect the amount due before making the assessment.

Section 9.2. Damage Not by Particular Owner. In the event of any casualty, loss or other damage to the Common Areas or Common Area Improvements not caused by a particular Lot Owner, his family agents, or invitees, if any insurance proceeds available to the Board for restoration or repair are insufficient to pay the full cost of the same, and if the current assessments, in the opinion of the Board, are insufficient to pay the remaining cost thereof, the Board may make a special assessment against each Lot within the Property for its pro rata share of the expense to repair and/or restore the same as provided for in Section 6.4.2

Section 9.3. Notice to Owner(s). The Board shall notify each Lot Owner of any special assessment pursuant to Section 9.2 not less than ten (10) days prior to the date such special assessment and the first installment thereon is due and payable, which notice shall be accomplished by a reasonable detailed statement of the Board's estimate of the expense of repairing and/or restoring the Common Area and/or Common Area Improvements.

Section 9.4. Damage to Lot Structures. In the event of damage or destruction to the Structures located upon any Lot, the Owner of said Lot shall repair or restore such damage or destroyed Structures in a good and workmanlike manner in conformance with the original plans and specifications approved by the Architectural Control Committee. The plans and specifications for said damage or destroyed Structures may be modified and the Structures may be reconstructed in accordance with said modified plans and specifications if the Owner of said Lot secures the approval of the Architectural Control Committee as provided in Article 3 of the Declaration. If the Lot Owner fails or refuses to commence such repair or restoration within ninety (90) days after such damage or destruction has occurred, the Association, by and through the Board, is hereby authorized to repair or restore the same in a good workmanlike manner in conformance with the

original plans and specifications. The Lot Owner shall repay to the Association the amount actually expended by the Association for such repair or restoration within forty-five (45) days after receiving a written demand therefore. If the Lot Owner fails to pay the full amount due within said forty-five (45) days, the Board may make a special assessment against the Lot and Owner(s) as provided in Section 6.4.2 in the amount of the cost expended for the repair or restoration, plus interest thereon from the date of the written demand to the date of the assessment, plus any cost or attorneys' fees incurred by the Board in attempting to cause the Lot Owner(s) to make repair or restoration and/or in attempting to collect the amount due before making the assessment.

The above Section 9.4 shall not apply to any Lot Owner(s), if the damage was caused by fire, wind storm, earthquake, or any other accidental acts beyond anyone's control regardless of who was at fault, or act of god, or if the Lot Owner(s) are awaiting the insurance companies adjuster review and subsequent payment or settlement for the damage and/or total loss of the dwelling Structure(s), or if the Lot Owner(s) is waiting for any Federal, State, City, or County governmental agency for any reason.

Section 11.1. Amendments by Lot Owners. Any Lot Owner may propose amendments to this Declaration by submitting the proposed amendments to the Board. If a simple majority of the members of the Board approve of a proposed amendment, it shall cause the proposed amendment to be submitted to the members of the Association for their consideration at their next regular or special meeting. If an amendment is proposed by Owners of two (2) or more of the Lots, then, regardless of whether the Board approves of the proposed amendment, it shall be submitted to the members of the Association for their consideration.

Section 11.1.1. Notice of Proposed Amendment. The notice of a meeting at which an amendment is to be considered shall include the entire text of the proposed amendment.
